

Project: **LAST MILE - Sustainable mobility for the 'last mile' in tourism regions.**

Project partner: Westpomeranian Voivodeship – Regional Office for Spatial Planning of Westpomeranian Voivodeship (PP7)

Name: **Last Mile opening event in Szczecin / Poland**

Date: **June 14-th 2016**

Nr of participants: **31 persons**

**The opening event on LAST MILE was held in Regional Office for Spatial Planning of Westpomeranian Voivodeship on 14<sup>th</sup> of June 2016**

The meeting was held on June 14-th 2016 in Szczecin in the bureau of Regional Office for Spatial Planning of Westpomeranian Voivodeship. It was accompanied by a significant representation of regional stakeholders - representatives of the local authorities and municipalities, operators and transport organizers, including representatives of Marshal Office of the Westpomeranian Region and the Maritime Office.

The meeting was divided into two parts - presentation of the main objectives and issues addressed in the LAST MILE project and an open discussion linking the topics of sustainable and flexible mobility with the regional conditions and problems the stakeholder's have to face.

General conclusion after the meeting was that creating the meeting platform for the exchange of knowledge and experience for the flexible transport systems is very welcome and needed by regional partners and stakeholders. They have expressed a strong will of cooperation and participation in the LAST MILE project.
